PRODUCT NAME

Studio Chair

COLOURWAYS

Ruby	Ruby & Rose	Moss
Indigo	Earth	Jet
Rose	Old Yellow	

DESCRIPTION

Inspired by the soft geometric shapes and fluid forms of 1970's furniture, the Studio Chair captures the essence of the free flowing and imaginative designs of the era whilst also feeling current and fresh.

Designed with the aim of uniting expert craftsmanship with a strong aesthetic, the Studio Chair combines generous proportions with curved edges and bold design, giving the illusion of 5 cushions "floating" together, despite its sturdy frame.
